CommunicationPlan:

Effective communication was essential for the successful execution of the Credit Card Approval Prediction project. Regular discussions and progress updates helped the team coordinate tasks, resolve issues, and track project milestones. Communication with the mentor ensured timely feedback and guidance throughout the project. This plan outlines the communication methods followed during the project development.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	Google Meet / WhatsApp Group	All	Discuss daily tasks, assign responsibilities, and monitor progress.
2	Progress Update	Weekly	Google Meet / Microsoft Teams	Reethusri, Sushma	Review completed work, discuss milestones, and plan upcoming activities.
3	Issue / Bug Discussion	As Needed	WhatsApp Group / GitHub	Pranav, Kaveri	Resolve coding issues, debugging problems, and technical challenges.
4	Stakeholder Review	Bi-Weekly	Google Meet	Sushma, Pranav	Present project progress, receive feedback, and implement suggested improvements.
5	Final Demo Rehearsal	Once	Google Meet	All	Practice the final project presentation and ensure all modules work correctly.
6	Documentation Review	Weekly	Microsoft Word	Kaveri, Sushma	Review project documents for accuracy, consistency, and completeness before submission.

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Scheduling meetings convenient for all team members.	Planned meetings in advance and shared updates through the WhatsApp group whenever someone was unavailable.
2	Integrating different modules developed by different members.	Conducted regular review sessions, tested each module individually, and then integrated them systematically.
3	Understanding project requirements and documentation standards.	Referred to the Skill Wallet guidelines, GitHub project template, and incorporated mentor feedback to ensure correctness.
